

# Development setup

how an important part of your toolset is often overlooked

# The story of Chris

**Managers mostly assume  
engineers know their tools**

**“if all you have is a hammer, everything  
looks like a nail”**

Popular saying

**DX / UX**

Developer experience / User experience

**“There is *no* such thing as *bad weather*.  
Only bad clothing”**

Swedish saying

# The tale of Susan

**Why's that?**

# The ballad of Miguel

**“It’s a game changer to have a thoughtful environment to work. The little things can improve your state of mind, your health and even your attitude in the end.”**

Miguel

**And they lived happily there after**

**Say hello world**
